MAKE OSHA COMPLIANCE EASIER AND MORE CONVENIENT THAN EVER BEFORE BY TAKING ADVANTAGE OF EVERYTHING AutoSDS HAS TO OFFER.

HOW DOES AutoSDS WORK?

Your AutoSDS Personal Library is an online database that comes preloaded with SDSs based on your Patterson Dental product purchases over the previous 5 years.

ONE-TIME SET-UP FEE:

\$0

As you make purchases through Patterson Dental, any product with an SDS is automatically added to your AutoSDS Personal Library.

MONTHLY SUBSCRIPTION FEE:

\$55

As part of your base subscription, you gain access to the AutoSDS Master Library so that any purchases made outside of Patterson Dental that require SDSs can be easily added to your online database. Just search the database, add to your library and you're set.

NO TIME? NEED HELP?

AutoSDS will convert your existing Safety Data Sheet binder into your new, digital Personal Library. Just send us your paper binder and we'll create your digital one. Binder Conversion Service: \$298

MISSING SDSs?

Our Master Library contains thousands of SDSs. Just in case we're missing the one you need, however, we'll find it for you. And we'll do it for free – up to 15 free sheets/month for Patterson Advantage members; up to 10 free sheets/month for non-Patterson Advantage® members. A fee of \$5.00/sheet will only be incurred after the free sheets/month have been redeemed.
