Help patients kick financial barriers to the curb

A powerful all-in-one solution for patient financing, dental plans and payment processing

Empower your patients to get the care they need — and pay in a way that best fits their needs. When you kick their affordability barrier down, treatment acceptance and practice revenue go up. This is where Patterson CarePay+, powered by Wellfit comes in. Fully integrated with Eaglesoft, CarePay+ is an all-in-one technology platform offering patient financing, dental plans and payment processing.

Try it now through July 31 and save up to $1,500

- Free subscription fee for the first 12 months ($99/mo value)
- Free card reader and 1-year warranty ($385 value)

PATTERSON CarePay

Why try CarePay+?

PATIENT FINANCING

For them: Patient-led process is empowering and provides multiple offers from multiple lenders — in under 5 minutes
For you: Increased treatment acceptance, reduced paperwork and faster payments

DENTAL PLANS

For them: Patients choose their own plan and receive discounts — and no surprises or hidden fees
For you: Increased patient loyalty and trust mean more return visits and performing more services

PAYMENT PROCESSING

For them: Flexibility to pay using a variety of payment methods
For you: Full Eaglesoft integration means fewer errors and less administrative work
